

Our Mission

Heaven's Gain Ministries' (HGM) mission is to provide for the physical, emotional, and spiritual needs of families experiencing pregnancy loss: before, during, and after the delivery of their precious baby.

Our Certified Baby Loss Family Adviser (CBLFA) can prepare families for the birth of their baby. By creating a birth plan, the family can arrange special and meaningful moments that will form lasting memories and provide comfort over time. Our CBLFAs are also available for non-medical questions during the delivery of the baby. After the delivery, our CBLFAs provide support to individuals, couples, and groups. Information and resources are available throughout our website.

As part of our ministry, HGM also provides beautiful baby caskets and infant urns that attest to the dignity and respect of the baby. Our products are of the highest quality. We add individual touches and personalize every casket or urn we carry. Memorial gifts and helpful books are also available.

As a part of our mission, HGM also conducts research and keeps abreast of the latest in prevention of miscarriage and stillbirth.
