

Our Mission

Heaven's Gain Ministries' (HGM) mission is to provide for the physical, emotional, and spiritual needs of families experiencing pregnancy loss: before, during, and after the delivery of their precious baby.

As part of our ministry, HGM provides beautiful baby caskets and infant urns that attest to the dignity and respect of the baby. Our products are of the highest quality. We also take care to add individual touches and personalize every casket or urn we carry. Memorial gifts and helpful books are also available.

A beautiful casket or urn is the only choice that the family will make for their baby. We believe it is important to offer the family choices in disposition of their baby's remains. You can find caskets and urns at www.heavensgain.org. Memorial gifts and helpful books are also available.

Thank you for serving families who are experiencing the loss of a baby. Your kindness and service to them will be long remembered. HGM provides beautiful, high quality caskets and urns for babies of all sizes. Each casket and urn shows respect for the dignity of the baby by allowing families to add individual, personal touches. We believe that this is critical for families experiencing pregnancy loss since this is the only choice they are able to make for their child.

You can find HGM caskets and urns, and request a catalog at www.heavensgain.org.

Express shipping can be expensive, so we recommend ordering caskets and urns in advance. We offer a 10% discount for funeral directors ordering multiple items. Thank you so much for meeting the needs of grieving parents and families.

Caskets

We are a non-profit ministry that is devoted to providing dignified caskets for babies of all gestations. We recommend that the casket you choose be at least 2 inches longer than the length of the baby. Wood, cloth-covered, and durable plastic caskets are available at www.heavensgain.org.
