

Baby Development

*LMP — Last Menstrual Period

This is a picture of a baby at 5 weeks after conception or 7 weeks since LMP*. This baby is only about a third of an inch long. The arm and leg buds start to grow. The eyes and ears begin to form.

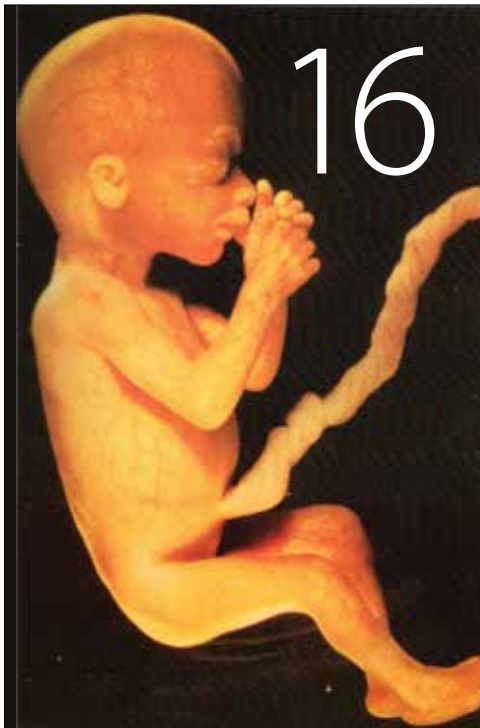

This is a picture of a baby at 6 weeks after conception or 8 weeks since LMP*. This baby is only about a half of an inch long. The baby's arms and legs have grown longer. Hands and feet begin to form and look like little paddles.

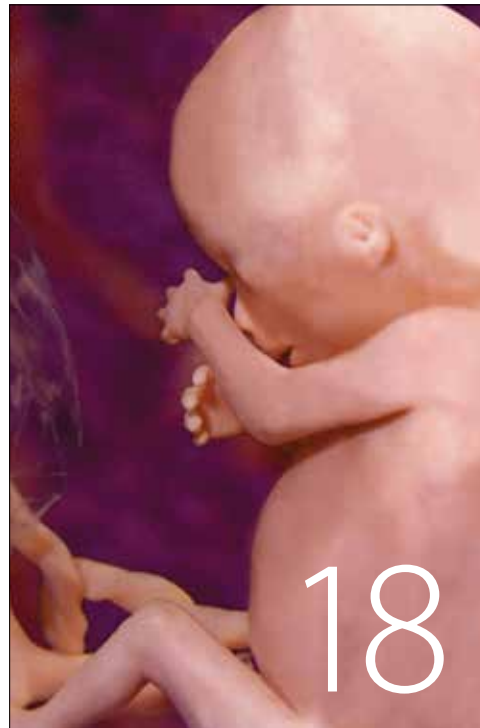

This is a picture of a baby at 9 weeks after conception or 11 weeks since LMP*. This baby is about 2 inches long. Her head is a little less than half her body length.

This is a picture of a baby at 10 weeks after conception or 12 weeks since LMP*. This baby is about 2.5 inches long. Her head is a little less than half her body length. She now has fingernails.

This is a picture of a baby at 14 weeks after conception or 16 weeks since LMP*.

This is a picture of a baby at 16 weeks after conception or 18 weeks since LMP*.

This is a picture of a baby at 7 weeks after conception or 9 weeks since LMP*. This baby is about 1 inch long when his legs are stretched out and weighs about ¼ oz. The baby's facial features are visible including his mouth and tongue. Fingers and toes can be seen.

This is a picture of a baby at 8 weeks after conception or 10 weeks since LMP*. This baby is about 1.5 inches long when his legs are stretched out and weighs about ½ oz. The outer ears begin to take shape.

This is a picture of a baby at 11 weeks after conception or 13 weeks since LMP*. The nose and chin are well defined. This baby is about 3 inches long and weighs about 1 oz.

This is a picture of a baby at 12 weeks after conception or 14 weeks since LMP*. This baby is about 3.5 inches long. External genitalia are now forming.

Advocates for Parents of Perinatal Loss

Call to talk to one
of our APPLs!

HOTLINE:
513.888.4200

Our APPLs help prepare parents for the birth of their precious baby who has died. They also provide support after the birth of the baby. For more information, call our hotline (8am-12pm EST) or go to our website www.heavensgain.org. Heaven's Gain Ministries' mission is to provide for the physical, emotional, and spiritual needs of families experiencing pregnancy loss: before, during, and after the delivery of their precious baby.
