Dear PERSONALIZE,

We invite you to become a sponsor through an affordable sponsorship of our upcoming 7th Annual Share the Love Valentine's Dinner Dance Fundraiser. This event will take place on Saturday, February 14, 2026, at Receptions Event Center in Erlanger, Kentucky.

With one in four pregnancies ending in miscarriage or stillbirth, all of us have been touched by pregnancy loss in some way. With your help, we can promote parents' right to grieve and heal. At Heaven's Gain, we provide free peer support, free support groups, and free birth and burial planning to grieving parents. We also provide beautiful caskets, urns, and memorial items that emphasize the dignity of the baby and assist in closure at a minimal cost. Our virtual support and shipping of supplies have positively impacted grieving families, both here in the Cincinnati area, and all over the nation. Thanks to generous donors, we were able to train several volunteers as Advocates for Parents of Perinatal Loss, APPLs. These APPLs will serve families before, during and after the loss of their precious baby who has died.

We had over 350 attendees at last year's dance. This is a great chance to serve your local community, promote your organization, advertise your business, or honor your baby. We have several levels of sponsorship and you can sign up as a sponsor at heavensgain.org/dance/.
