# Sponsor Benefits

The success of our annual “Share the Love” Valentine’s Dinner Dance is paramount to our success as an effective non-profit service organization.

Your financial generosity is our lifeline, and is a godsend to those families who are able to realize healthy closure following unthinkable loss. Rest assured, you have our sincerest gratitude.

For **businesses**, our annual fundraiser is an excellent way to reach local consumers and increase logo recognition as our dinner dance draws at least 400 attendees. For **families**, it’s a great way to donate in honor of your baby’s name or show your support of our cause.

Your name will also be featured in our slideshow that will be played continuously for two hours during the opening reception and dinner.

We’ve outlined a variety of sponsorship levels offering benefits ranging from a prominent sign featuring name and logo, to basic advertising in our event program.

Our total event budget is approximately \$22,500 (venue and music: \$18,500 + printing and miscellaneous expenses \$4,000)

We appreciate any amount you can give to help us reach our neighbors who don’t even know they need us until they experience the unthinkable, the loss of their unborn baby.

God bless you.

## Testimonials

“ I learned what to expect, and how to save and cherish my baby. When I found out last week that my baby had died, I was so angry and upset. And having it still inside me was at times unbearable, mainly because I didn't know when I was going to have him, and what it was going to be like...I was very thankful I had the past week to gain knowledge and understanding of the situation. I was very thankful that I knew how to catch my baby with a strainer, and how to preserve him for a while longer. I was so thankful that I've had the opportunities to hold him and take pictures of him. This is an experience that is certainly a life transforming experience. I'm so blessed. – Jennifer ”

“ Thank you so very much for the beautiful urn you made for our son....it is everything we expected and more. It is very comforting to us to know what a beautiful resting place he has because of you. God bless you for what you do. – Bernadette ”

“ Heavens Gain Ministries does an exceptional job of equipping individuals to walk alongside parents before, during and after perinatal loss. I think this training would benefit anyone who is doing the important work of serving families who have lost a baby...This training has given me the tools to help families minimize some of the trauma during their losses and I am grateful. - Aubrie ”
