Dear PERSONALIZE,

WE HAVE MOVED! Heaven's Gain needs your help.

Since our ministry is growing, we had an offer to move into the old school building on the campus of St. Martin of Tours Catholic Church in Cheviot, occupying two floors of classroom space. Due to increased rent at our current location, we will now have almost twice the space at the same price.

The move was incredible. I want to thank all the volunteers who pre-packed and who worked that day. We had about 15 volunteers signed up to help with the move but over 60 volunteers came ready to work, AND they worked so hard. All day they filled 8 box trucks and several pickup trucks and trailers and then unloaded them and carried in everything! It was SO amazing to see God working through so many people. Hardig Industries sent two box trucks with drivers and workers, and Monster Tree also brought a box truck and workers. So many boxes, furniture, and machinery needed to be brought up and down flights of steps but God sent us strong men and women for the task. I was humbled by the volunteer generosity of time and talent and I continue to praise God for the help he sent us!

Although grateful for the added space, this older building desperately needs renovation to make our families feel welcomed. As with any move, we have increased needs for financial, physical, spiritual, and practical support.

- **FINANCIAL:** We need help to cover renovation and moving expenses. Estimated expenses include increased rent. We will need funds for ongoing renovations to make this old school building look warm and welcoming to our clients.
- **PHYSICAL:** We need volunteers to help with organizing our materials after the move, which can be scheduled at your availability. We need skilled painters to fill cracks and paint. We need certified bonded electricians to add some additional outlets and lighting fixtures.
- **SPIRITUAL:** Would you consider a special prayer or holy hour offered for the discernment of those leading Heaven's Gain Ministries and the clients they serve?
- **PRACTICAL:** Do you have any wood bookshelves, short wood filing cabinets, or storage materials for our new building?

We are so excited to announce the official HEAVENLY MOVE CAMPAIGN to raise an additional \$75,000 for Heaven's Gain Ministries including an annual Heavenly Room Sponsorship and a Heavenly Wall of Memorial Plaques.

As part of this campaign we are offering a unique chance to honor your baby by naming the rooms in our new building after a baby gone too soon.

I cannot believe how quickly Heaven's Gain Ministries has grown. The last time we trusted and moved, God greatly increased the amount of families that we served. I am so excited to see all that God will do in this new location.

We have included a floorplan and sponsor room donation amounts on the following pages. This is FIRST COME FIRST SERVE to claim the room of your choice. Donate at heavensgain.org/move or by mail.

We count on your generosity at the dance each year to support our annual budget, but this is a special additional increased need at this unique time. We humbly ask for a special, increased gift at this time of increased need. This is the first official need-based fundraising campaign of Heaven's Gain Ministries!

Each room will have a plaque stating "In Memory of BABY'S NAME, Donated by [Your name, or leave the donation anonymous]" and then, only for room sponsors, a small customizable message such as "We miss you everyday. Pray for us down here!" of your choosing.

\$39,000 of the campaign goal will come from these room sponsorships and the remaining \$36,000 from general donations. As a special thank you for anyone that gives \$250 or more towards the general move effort, we would like to hang a special plaque honoring your baby on our Heavenly Hall in the new building. Each plaque will say the Baby's Name(s) and, if you are not the parent, an email will be sent to the parents acknowledging your gift.

If you cannot give \$250, don't think that your small donation doesn't help. Everything helps towards this important goal. We need shelves, carpeting, flooring, slat wall, chairs, couches, coffee tables, lighting, and much more. We depend on your generosity.

With your help, we can promote the dignity of all life, and the parents' right to grieve and heal from all pregnancy loss: miscarriage, stillbirth, and early newborn loss. Thank you for your support! Please let us know if you have any further questions. You can contact us directly via text, phone or email.

With Gratitude,
