

Our Mission

Heaven's Gain Ministries' mission is to provide for the physical, emotional, and spiritual needs of families experiencing pregnancy loss: before, during, and after the delivery of their precious baby.

Our Advocates for Parents of Perinatal Loss (APPLs) can prepare families for the birth of their baby. By creating a birth plan, the family can arrange special and meaningful moments that will form lasting memories and provide comfort over time. Our APPLs are also available for non-medical questions during the delivery of the baby. After the delivery, our APPLs provide support to individuals, couples, and groups. Information and resources are available throughout our website.

As part of our ministry, Heaven's Gain Ministries also provides beautiful baby caskets and infant urns that attest to the dignity and respect of the baby. Our products are of the highest quality. We also add individual touches and personalize every casket or urn we carry. Memorial gifts and helpful books are also available.

As a part of our mission, Heaven's Gain Ministries also conducts research and keeps abreast of the latest in prevention of miscarriage and stillbirth.

We are a non-profit ministry that is devoted to providing dignified caskets for babies of all gestations. We recommend that the casket you choose be at least 2 inches longer than the length of your baby in the 1st trimester; 4 inches longer in the 2nd trimester and 6 inches longer in the 3rd trimester. Wood, cloth-covered, and durable plastic caskets are available at www.heavensgain.org.
